Re: Strong Support of SB2392, Relating to Health

Hrg: February 28, 2020 at 11:05 AM State Capitol, Conference Room 211

The Hawai'i Public Health Association (HPHA) is a group of over 600 community members, public health professionals and organizations statewide dedicated to improving public health. HPHA also serves as a voice for public health professionals and as a repository for information about public health in the Pacific.

HPHA strongly **supports** SB2392, which would appropriate funds for 'Imi Ho'ōla student stipends or for other 'Imi Ho'ōla student support programs.

Over a 45-year history, the 'Imi Ho'ōla Post-Baccalaureate Program has established itself as successful pipeline program for academically-qualified students from disadvantaged backgrounds. Each year 12 students are selected for admission to the program and are guaranteed admission to JABSOM upon successful completion. The 'Imi Ho'ōla program has produced close to 300 physicians.

Hawai'i has a physician shortage with Primary Care and rural areas experiencing the most need. Graduates from the 'Imi Ho'ōla program are more likely to remain in Hawai'i for residency, work in Primary Care, or practice in underserved communities, compared to other JABSOM graduates. Supporting these students who will serve our community as physicians is a wonderful investment in the future health of Hawai'i.

Thank you for the opportunity to provide testimony on important health issues affecting people in Hawai'i.

Respectfully submitted,
